INVITATION FOR TRAINING

The Occupational Health Service conducts training, outside subscription, pursuant to the provisions of Regulation No ПД-07-2 of 16/12/2009 with regard to the conditions and terms for conducting regular training and induction of workers and employees in occupational health and safety rules (State Gazette, issue 102/2009), namely:

1. Training in Occupational Health and Safety of:

1.1. Officers who govern and manage labour processes – minimum once every two years and not less than 6 training sessions;

1.2. Officers of specialized services under Article 24 of the Health and Safety at Work Act;

1.3. Persons designated by the Employer to conduct occupational health and safety inductions – such persons and officers under i.1.2. – minimum once a year and not less than 6 training sessions.

2. Preparing health and safety instructions for separate work places and/or separate production lines (sections).

The cost per trainee under i.1 and for preparing an instruction under i.2 of the present tender shall be specified in a contract expressly signed to this end.
